[The Old Testament Pentateuch is the beginning division of the Holy Scripture. The following two divisions of the O.T. are subsidiary to the Law. The Prophets' division is superior in rank to the Psalms' (or Royal) division because the prophets were direct emissaries of God and were responsible for instructing and admonishing rulers and kings. The positioning shows authority of rank and teaching.]	5. Ezekiel } MAJOR	5. Ruth = Pentecost	<b>PENTATEUCH</b>					6. III John	6. Phil. XYZ's of

They are placed in first position to fulfil the principle "to the Jew first" (Romans 2:10). They are directed to Jewish Christians in general and not to specific churches. They were written by the "pillar" apostles with top rank over Paul.]	8. I Thes. III. The
